

C.O.R.E. DAY

CHRISTIAN OUTDOOR RECREATION & EDUCATION

C.O.R.E. DAY

Designed for students in K-6th grade, our CORE day is packed with two classes, a group game, lunch, and a chapel time focused around God's Word. Led by our trained staff, most courses are designed to be part instruction and part hands-on activity, but a few are just for fun!

Some of the classes we've done in the past include: wilderness survival & fire building, shelter building, ornithology, orienteering, amazing ecosystems, marksmanship, low ropes team building, and rocketry.

Students are divided into class groups and parents assist our staff with supervision during classes and activities.
