WOMEN'S RETREAT

In order for a garden to be productive, the soil needs to be cultivated, seeds planted, weeds pulled, and plants watered in order to reap a bountiful harvest. The same is true of the Christian life. As our hearts are cultivated and tender to God and His Word and we uproot the weeds of sin that spring up in our lives we get to see God grow us and use us in amazing ways.

Join us for a weekend of fun activities, great food, encouraging conversations, and practical teaching from God's Word. You'll come away challenged and encouraged to keep growing closer to our loving Savior!
