

LEADERSHIP LIVE

In Leadership Live! you will be serving with us at Longview as we seek to help you learn and to put into practice the five components of leadership— discipline, wisdom, vision, humility, and initiative. Our goal is to equip you to live a life that is guided by the principles of scripture, focused on service, and motivated by the love of God.

What Will I be Doing?

You will have opportunities to take leadership principles shared in weekly training sessions and learned through working alongside our staff team and put them into practice in different areas around camp. There will be opportunities to serve in the kitchen, dish washing, stores, and on the grounds and maintenance and projects crew.
