

# MEN'S RETREAT

It's easy to take pride in something we've created, whether we've built a home, started a company, written a piece of software, or masterfully grilled the perfect steak. But at the end of our lives our earthly accomplishments have little real value when compared to the relationships we've built with our family, and friends, and church community. A life spent building and lifting up others is a life that can make a difference for eternity!

A weekend of fellowship, great food, fun activities, and practical teaching from God's Word creates a perfect opportunity to deepen friendships with others and be encouraged in your walk with the Lord!
